Nature or reason of request?

Do you need the dimensions?  
Would a Floorplan be of more assistance?

The LOI form is fairly simple. You can ask your legal to draft one. If for some reason you aren't using your attorney to purchase an aircraft, there are several forms you can find on a google search.  
We prefer IATS as an Escrow

We have been actively monitoring the market for BBJ's and are familiar with the recent Las Vegas BBJ that sold. The bids on our GV are also lower than expected as well. If your client is a genuine seller in the \$27-\$28MM range, we should move forward. Otherwise, we should not take up any more of your time. Last, do you have a contract that you favor that has been pre-empted?

The official asking price is \$34M. We have priced this aircraft at Fair Market Value, based on trading values that we consistently follow. Avionea is certainly welcome to write an offer on the aircraft. All reasonable offers will be reviewed and considered.

Bryan:  
Avioneta management/principal is interested in the 30751 and believes strongly that the market is under \$30MM for the 30751. The price quoted is an outlier.
