Jeffrey,

The Bel Canto REF1000M is a single channel 1000W amp, weight is 18 lbs only.
are you thinking of installing seven REF1000M single channel amps for LSJ system? The Bel Canto dealer in Jupiter FL is special order, I'm checking Miami location dealers,.

1 center channel
2 L/H R/H front
2 Mid surround
2 rear surround

NOTE: Audio Advisors located a 7 Channel McIntosh MC207 amp, I can pick up today, This amp weighs 83 lbs.

Eliot at Audio Advisors is my go to person for these items,. He personally didn't like the Bel Canto amps, for what its worth. of course he is pushing the Macintosh amps.
