Thinking of you - it makes my blood boil.
I can only imagine how you feel.

Got several emails and calls re this article from few people that know we are friends.
Had no idea that so many people are following page 6!!!????
I took out a sender name of this one- there is no need.

Would not be easier to pay 103K???
It is not that much money.
People now think that you do not even have money.

What can we do?
Is there anything I can do to help?

I am at a board meeting in Palo Alto for the most of day. Will be reachable after 5pm PST
