Hi Jeffrey,
I just want to give you an update.

I haven't find any non-for profit that will accept money for bridge project. We are working on the project but progress is slow.

I'm still working with a lawyer and I hope we will have some answer regarding my situation (if I'm staying in US or have to go back to Russia) in 5-6 months.

I might be in NYC at the end of November or beginning of December if I can find a place to stay.

Thank you again for the gift that you made last year.
