Jeffrey:

I have been afraid to contact you for fear that you would think I needed help during this awful attack on you.

It is shocking that the press has been unrelenting and global. Who is behind this? Why is a situation from six years ago resurfacing now with such a vengeance? People must still be shaking down for pay offs. It's always about money. Hope you are OK.

I spoke to Josh yesterday and he has been calling Martin O'Connor for an update. I do know Martin is on this.

We will give you an update later today. This is such a waste of smart busy people's time chasing the dead beat brother. I continue to be apologetic to the people trying to help me.

More info later. Peggy
