She kept telling me that she does all these things "writing, acting, movies, tv, etc" and Daniel just caught her in the street and she couldn't understand who you were, apart from your connection to VS and to movie producers. I think she needs a speech when we get to Paris, she looks a bit druggy and anorexic though...  
From my little experience with her in Milan, 5 years ago, I remember she had a temper and guys would say she was a b...h  
But I never knew her well
