Dear Jeff, I found an interesting and short article. Fascinating jellyfish...
http://edition.cnn.com/2014/08/28/world/asia/can-immortal-jellyfish-unlock-everlasting-life/index.html?hpt=hp_c4

I also spoke with friends at Zegna and Dolce that saw china worse than what I thought. -5/-10%
yoy but to achieve that they had to discount more aggressively.

US well but growth driven by a small number of big spenders. With QE3 winding down its
unclear how deep they will be affected.

Hope to see you soon

Best
G
