According to Ms. George, they want Karyna's her birth certificate in addition to her passport. Ms. George was not very helpful re the exam results as she said that she never heard of that request before and she thought that Karyna submitted the required clinical exam results. We tried to call Ms. Richardson but she was not in. She was the one who said that Karyna needs to call for information as she would not give out anything to third parties. I suggest that Karyna send Ms. George her birth certificate via email and call Ms. Richardson re clarification on the exam results.

With warm regards,

Cecile

Jeffrey,

Daphne and I spoke to Ms. George this afternoon. She said that the only communication that she has received from Ms. Richardson (on behalf of the board) was that Karyna needs to provide a copy of her birth certificate and her "Status and Clinical Exam" results so that they may proceed with her application. Ms. George said that these can be copied, scanned and emailed to her.

With warm regards,

Cecile
