THANK YOU

Need you more than ever as I navigate.

The 10th I have a board meeting here till 5pm and can't leave till after. Boss very weak right now. I'm his data engine so for now it is the only leg he can stand on.

The 11th Ashish is hoping for 1-4pm (prob need only an hour or so with you). Want to see you. Want to meet at your house!

Even if you are there for an hour it would be great. I want you to meet him and help me think through the big sister (Coo) role. It's a Sheryl Sandburg / zuckerberg thing, Africa style. He's just terrific! He's a really young and equally scattered version of Richard Branson. Instead of Virgin, it's Mara. Doesn't drink or smoke or play any games. I enjoy being around him, some fun options.

I miss Bill. Maybe going back there would and could be great but I just can't do more philanthropy. Need my own money. Plus, Melinda...

How was your trip?

I ve changed my schedule to be able to accomdate your meeting, however it would be better in the 10th if possible. Bill said that you were doing a great job where you were, andif you decided to come back to the foundaiton he would find a place for you
