I of course understand your concerns, but still I don't get it why you suddenly started to ignore me. Not just I didn't get "thank you", perhaps I didnt deserve that, I got [REDACTED] angry at me (really angry, as you know she lives with me!!!), because of the situation with you and this is really last thing that I need... Especially now. Honestly, I didnt get it what's wrong have I done in this situation? Would you be so kind to explane me that I wouldn't do similar mistakes at the Future???? (Not asking for any "sorry" since I recently learned to "never apologize for anything")
