When I arrived at the house there was a blonde woman standing in front of 3 71st street. I just noticed her, she was shaking someones hand.  
She came running towards me when I opened our door , said she was looking for Jojo, when I asked regarding what she said she just wanted to say hi to him, said her name was [REDACTED] and then said she used to work for Jeffrey a long time ago.  
Plump, long blonde hair, skew teeth, green eyes.  
Something made me uncomfortable.
