Jeffrey

I have #2 brake leaking, working on a solution,,

Also

- master P assistant called me,,. You wanted to make sure and hear from me directly that we will be in San Francisco Sunday. Informed they want to purchase aircraft to meet a trip scheduled for south Africa August 27.,

He also wanted to confirm that the flight crew with experience will be able to accomplish this trip and provide support for Percy Miller

He also asked if a deposit was necessary for Sunday, I'm only repeating what he asked me, Strange,. Could be real
