Can Sultan help ?

One call or email to a senior person at Emaar is all that is required:

- Paddy McKillen (co-owner of Claridges, Connaught, Berkley, etc) invested Euro 8 Million in five Dubai properties in 2006 & 2007.

- crisis hit Dubai: there were delays and problems

- since then Paddy gets brushed aside and gets no proper Hearing at Emaar to discuss how to solve this.

- Can Sultan tell senior Emaar person that they should kindly deal with this matter?

Properties in question:

**Emaar Properties PJSC -Boulevard Plaza Tower 1, Units 901, 902, 903 904**

**and**

**Burj Khalifa 2b-23-2311**
