Thank you for all if the photographs, very helpful!

Could you help me with a few other items:

1. Jeffrey mentioned there were drawings for the Cabanas...I'm planning to come down shortly (hopefully next week) to document the Cabanas, if you could find the drawings, or direct me to someone who could that would be great. I'll take them back with me and return the originals after I've copied/scanned them.
2. Can you send me details to get to the island? I presume I fly into Beef Island Tortola Airport? From there should I rent a car or taxi to the property?
3. Lastly, I'll need a full day there, so I'm thinking to fly in the night before, is there a small hotel close to the property?

Many thanks for all of your help with these items. Please feel free to call me if that's easier,  
[REDACTED]

My best,  
Amy
