Not sure if you are aware however Harry took 14,000 for each of his kids in January 2014. The past two years this was always done in December.

12/1/2012 - 6 kids x 13,000 = 78,000

12/11/2013 - 6 kids x 14,000 = 84,000

1/13/2014 - 6 kids x 14,000 = 84,000

Total = 246,000

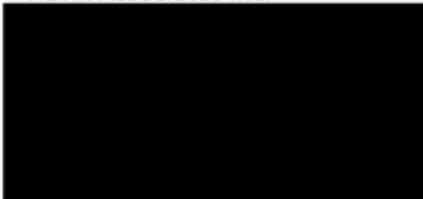

I never took the generous 75,000 bonus you told me to take:

After speaking with Alan Dlugash the best solution we came up with was for me to reimburse personal expenses relating to HBRK for 2013 & 2014 in the amount of 37,500 each year.

This will be done via journal entry. These expenses would be as follows: use of car, air & hotel travel, cell phone, meals, auto parking, etc.

Please advise if it is ok to proceed
