I have the agent triple checking to see if [REDACTED] can check her bags all the way through...at the moment, we are being told American will not do this for her. [REDACTED] lands at terminal 8 and must get herself over to terminal 1 for her LOT flight. She can make this connection only if she does not have to recheck her bags. If American will not let her check her bags all the way through, can she take a carry on and ship the rest of her items home? (maybe [REDACTED] could do the shipping for her from NY)
