1. no rush. 2. I asked you to come to boston with woody allen. you told me you were going to the beach with friends 3. Laura is the secretary of Faith , who owns next models , I personally made a call on your behalf. no obligation to join . and ,no" thank you" received from you. 4 I believe in you - really 5. every girl in the biz has the same schedule and can find time to say thanks. 6. I am disappointed that you say you have no time,, but miraculously you had time when you were told to leave the apt , to text les, [REDACTED] and then call daniel. amazing how you found the time when you needed something, 7 . text when free and we will speak . or I am willing to see you when i return .
