I was able to have a thorough conversation with David regarding the draft document you sent. While we're not there yet, we are MUCH closer, and I feel confident that we can get something agreed to and signed within the week. I have a number of comments and questions regarding the draft you sent. I can review them with you or with Steve Ray at Gunderson, with whom I have had a very productive dialog in the past. What would you like me to do? I would like to convey these comments and turn the documents again promptly. This has been a real pain in my ass and I look forward to having it behind me! :) Peter
