Shepherd the bill g relationship...

If in 30 days there is a deal then 25% above 100m that comes to me personally and 5% of what goes to the company (stock or cash?).

I have no idea if that is insulting or not... I can't tell but I wanted to say that its not meant to be and I truly value your advice and friendship generally.

G hinted yesterday they would like me to take the 200 I had previously suggested, but I told them no thanks. A few other deals boiling. I am quite relaxed I have a lot of value here and the timing is good.

You are confusing their offer with reality.

I have much better ones coming. On Jun 2, 2014 4:35 PM, "jeffrey E." <jeevacation@gmail.com> wrote:

I hope that you abiity to design systems far exceeds your ability to structure finance and negotiate on your own behalf. The only thing that i have seen in writing from googel gave 35 cash, plus a future above 10x return salary not included. I think 25 % of the upside above that offer, would be fun . If you prefer another structure, i will consider. , but I will do nothing tomorrow if you prefer to wait..
