Rich—we did not have copies of all of the signed documents. The transaction happened before I came to the family office, Eileen did not have copies of everything and McDermott could not find them either. This may be one of those documents. Elizabeth can tell you for sure as she was the one who tried to track them down.

I am looking for the signed promissory note that Josh transferred to the Tron Trust on Dec 19 2012. Tab 26 reflects the assignment and an unsigned copy is attached. As an aside, I found Ben's signed note that was transferred to the Tron Trust (Tab 4).

Kindly upload to the network or email Thanks
