I'm sorry Jeffrey..I didn't want to be impolite or something. I'm just tired of being in unstable situation and completely forgot I even have a haircut for now. Sorry about this I understand you. Thank you very much for your attention and this gift. I'm selfish.. But I didn't want to act like this.. I appreciate you thinking about me and trying to figure out what to do in my situation. I wander and just thinking about which way should I choose. Sorry again. And thank you for everything.

since i see that even though you received a gift from me , of a haircut from the best salon in new york , and chose not even to say or write a thank you, I think it best that you not come tomorrow. I have little interest in people without manners or that show no consideration.
