Subject: Flexible vs non flexible
From: [REDACTED]
To: Jeffrey Epstein <jeevacation@gmail.com>

I have [REDACTED] on the 8 am non stop flight on Friday.
I always book fully flexible but this time there is such a difference in price \$802 per ticket compared to \$ 385 for non flexible (with \$200 penalty if we change it)
Should we risk the non flexible?
We would save \$834
