Hi Lesley..

Rats! I've got a lunch set up with my son and his fiancé (we hope!), which I really can't miss -- as much as I would love to see Mr. Allen again. And I've got a dinner thing at 7:00.

Sigh.

Any times work during the week?

Thanks for your patience.

Hello Prof. Kosslyn...Jeffrey is asking if you would like to do lunch w/him, Woody Allen and Joi Ito tomorrow at 12:30...or if you would like to see him at 6pm....(3pm will no longer work)

Might either of these two other times work for you?

Please reply to all as I am heading to LI for an all day into the evening LAX tournament and I will have limited cell availability.

Thanks! Lesley
