Work out hard, and do as he says, don't try to bullshit him. He will cut you out if he thinks you are not being straight. He knows all the tricks that girls try, just be straight and trust him, thats my best advice.

I messed it up and I am aware of the luck which has met me- that I met Jeffrey. I wish I could fix this up. Do you have any suggestion? I'm asking you for advice as more experienced and smart woman..

As it was days not hours, I think you should understand that he has given you a great opportunity and he has heard every excuse from people older and more experienced than you. I would like you to succeed. I suggest you rethink your strategy...

Hi [REDACTED],

I hope you had very nice holiday as well.

I know I messed it up. (I was out of service and when I came back home, it was too late). You have no idea how much I regret that now. Please, express my big apology to Jeffrey again. I'm looking forward to hear him soon.

All the best to New Year,

Hi [REDACTED],

Hope you had nice holidays. I understand that you couldn't find time over the holidays to contact Jeffrey. However, it seems silly as leaders of countries can find time to reach him. He will be able to contact you sometime this week.

All the best, [REDACTED]
