Thank you so much - there is no need.

Not sure how much time it will take – BGI wants their structure/terms and a side letter.
But they assure they are in and they are doing it all.
They will assure that it can be rolled into a fund, if such happens.
I will know more tmr as they are talking to Cooley.
After you said no earlier in day, I reached out to David - and he and some of his partners offered to come in – so I think I am all set!

I am better now. I think it is very important for me that this deal go forward because of numerous reasons.

Thank you

B

I was with Nicolas.
Will talk to Rodi shortly.

I sent him a note that you will not participate if Bill's does not (question below).

Please do not worry – if it does not go –OK – it will be some other deal. Or it is not meant for me.

I feel horrible about everything as is – and I do need to re-evaluate many things

Either way is OK.

I just need to know that – preferably in next few hours – as I would rather not drag people around and tell them – so sorry but I can't come in.

Thank you

Boris
