Dear Jeffrey,  
Sorry for late reply. I hope everything is well with you! No news yet from my side. I'm working I lot and I'm enrolled in three processes for positions at Millicom, Samsung and the Swedish king's initiative - Global Child Forum. We will see... I need to change to something inspiring and challenging for sure.

On my way to Barcelona now for a wedding and weekend in the sun!

All the best,

[REDACTED]
