MAKE IT A MID-CENTURY MAKEOVER

Today we're making it easy to refresh your home with our favorite timeless style. We've pulled together handpicked pieces plucked straight from the mid-century era. Start with pieces with clean lines, pared-down silhouettes, graphic patterns, and a penchant for warm, lighter woods. Then pepper in a teak

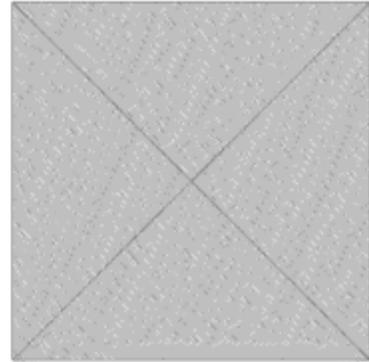

sideboard, a retro art print or vintage accents galore and blend! Then sit back and delight in your very own mid-century makeover. **SHOP NOW**
