Thank you for pitching me up with [REDACTED].

I was checking through the internet as well. And she recommended me the gym that j already like the most from people reviews. It is Equinox- they are big chain all around the world. It costs from 150-200\$ per month and membership is for half an year, at least. Is it okay for you? I'm on my way to closest one to ask them about details.

I already mailed couple of my friends in Slovakia- potential assistents. However, any of them is able to come to the States soon (visa, school, etc..) I'll be looking for girls here as hard as possible.
