**Subject:** Hebrew University Offers Free Online Course

The Hebrew University of Jerusalem is again offering a free online course available to the public entitled, 'Synapses, Neurons & Brains.' Taught by Professor Idan Segev, the five-week course will provide in-depth understanding of how the human brain works and explore the fascinating future of brain science.

Idan Segev is an award-winning Hebrew University professor, & Head of the Department of Neurobiology and is the incumbent of the David & Inez Myers Chair in Computational Neuroscience at the Edmund and Lily Safra Center for Brain Sciences.
