I spoke w Linda and then the hospice nurse practioner at 1 pm EST. Warren has taken a dramatic turn for the worse. He is going in cardio-pulmonary failure. They are giving him increased doses of morphine. He's sedated. I don't think he'll make it/ survive beyond 1-3 days. Terry will arrange for a funeral home to pick up the body.

I spoke to Linda Eisenstein for over 50 min tonight. She's struggling. Warren's condition is quite tenuous; I'm trying to support her through this. It should be noted that she told me how truly moved /indebted/appreciative she is for the dramatic support she has received from all of us.
