Update on cabaret tickets.

They definitely have 4, they are trying to get 4 more in the same area. It looks likely. They will keep us updated

Hi Susan,

I just wanted to update you on Jeffrey's request for 8 tickets to the evening performance of Cabaret on May 31st. The company manager can accommodate 4 tickets on that date. We have reached out to Herman Agar, the ticket broker, to see if he can get 4 more in the same area.

Things are looking very likely, I will update you when I know more information.

All the best,

Amanda
