You asked me to take 2000 when Boris and company were there which I took from black bag and gave to you in the dining room.

I took 1000 from red box to give to [REDACTED] as it was evening and I couldn't get from Bella.

I also grabbed a couple of 100's to give to you when you asked for it when you were going out recently.

Otherwise I haven't used for anything else.

I don't know how much you came back with from palm beach neither how much you left for LSJ with so don't know if some has been taken.

I should have checked on the amount when you left. We saw the envelope with money but I didn't go into it. I am not in the habit of checking before island trips. My bad. I will make sure to always do it from now on.
