Jeffrey

Boeing is due inspection C3 check on March 15th  
July 1st both engines are due corrosion inspection (downtime 6 weeks) for engines. Best to  
Accomplish engines while C check is being done.

Morrison is checking if we could input later in March, I know we have AD's due in March which  
usually will not allow extension.

Possible input the Boeing Feb?

I will keep you updated

Thx  
Larry
