Jeffrey,
Gulfstream had to drill out several nut plates that were stripped on baggage door, since door removal is necessary,. Gulfstream has all night shift so they will work it until its done,. I'm not concerned "yet" and promised me I should be completed by 7am tomorrow. if there is any major delays or issues, I'll contact you immediately,. so far we are OK,. -Gulfstream would not let me remove the wipers on their ramp since they have to return the aircraft to service when they are done,. time permitting, I will remove when we get to Scottsdale.

thank you,
Larry
