I have been told they have your script for all these tests from Dr. Moskowitz in PB. FYI-I could not make your appt for tomorrow after 4pm because East River Imaging is closed.

Below from Melanie in Dr. Moskowitz's office.  
Dr. Moskowitz has ordered CT scan Chest, Abdomen, and Pelvis, Ultrasound of thyroid and Ultrasound of Left supraclavicular area to East River Imaging. Call [REDACTED] to schedule.
