Good morning. Thanks for making time. Tomorrow (Tuesday) would be better. I have time from 2 - 5pm. Let know what works for you. West Village or something closer to you?  
Cheers

Going to try to make Arnold's yoga class today at 2pm. Just read about it and the concept looks cool. Hopefully not super crowded... I imagine it should be ok over a holiday weekend. Please join me for the class if you are in town. And maybe a little walk after. No stress. No 'big' talk. Just lightness.  
If not, then I hope you are enjoying this sunny NYC day or somewhere on the beach having fun!

Stan
