1. I would've loved to hv gon to Palm Beach for Thanksgiving, but unfortunately now it's too late. If only you ask us earlier. I would've jumped at the chance. It's so tempting. Now we have 30 people coming and so we can't. None of whom I particular what to see. They r mostly relatives from Woody side of the family. I wish you had bailed me out earlier. They are strong opinionated Jews. Not that I'm not a strong opinionated Asian.
2. I would love to do something for Woody's birthday. What did you have in mind? He doesn't like surprise parties. Unfortunately, we have to be here on November 30 as it's his sisters birthday or else it would've been fun to take him to Paris or Asia ;-).
3. Weekdays are the best days to see Woody's movie.
4. I've always wanted to go to the East. Please make it happen. I would love to go to Asia for Easter. It would be my dream come true. I would even be willing to give up the Hermes handbag for that :-).
