Good morning,

I have been notified that they want to move forward, so I need to register and get the company paperwork to ViNGN. Can we please schedule a meeting next week, to discuss our plans. I don't want to start putting out money, and we're not on the same page.

Regards,

Terrence,

I am following up with you to see where we are in the process? Did you register your Company as an ISP with the FCC as yet? As I would like to move forward with the process. Let me know. Thanks.

Regards,

Kevin Hughes
