Subject: Chillax Blue Beach and Flag Pole

Good =ay boss,

- * The =hillax room
 - * up and running.
 - * The problem =as a faulty battery back up, which I replaced with a =pare.
- * The blue beach
 - * The cisco =witch need to be replaced, without it blue beach won't be able to =ave phones and data.
 - * I will research prices for your =approval
- * The Flag Pole
 - * I reset the =he apple extreme to rule out the device and it is running stead so far = will continue to monitor speed and =onnectivity.

regards
