Last February after a double lung transplant six months earlier
It was a devastating year!
Trying to recover from it
Started thinking about old friends and life in general
Dom famulari (who was in our class) brought our yearbook from high school to dinner the other
night and I saw your photo and some old memories flashed
Looked at classmates.com and saw that you wrote me a few years ago (never saw it)
I see you have done very well in business
I am happy for you
Ever married??kids?
I have a small architectural firm here in Staten Island and have done some building over the years
I enjoy designing buildings and then seeing them built .
What are you doing nowadays.
My cell is [REDACTED]
It would be fun to get together if you can
