She confirmed verbally with me yesterday but responded to non of my other forms of communication. Her phone rang and went to voicemail which I left and my text shows delivered. Strange. She sounds like she was running around like crazy. I wonder if something else came up and she dropped us.

[REDACTED] says she got none of my confirmation voice messages, messages or emails as she is having issues with her phone :(she is dealing with IT now
She is no longer able to come this afternoon
She will
