Subject: Corbusier Inspired Chic: Put a rustic twist on modern design.

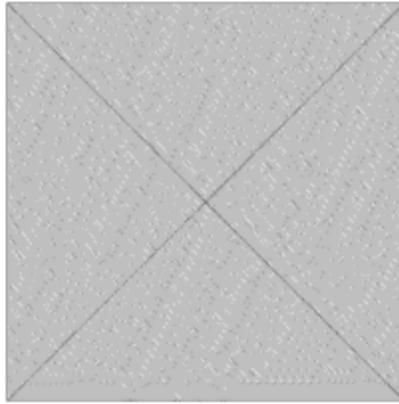

Corbusier Inspired Chic

We love modern decor, but watch what happens when you mix in a few rustic elements. Today's collection is all about combining futuristic shapes with good old-fashioned materials. Classic black leather does double duty as modern sleekness is juxtaposed with rustic tones and textures. Gleaming chrome and artfully aged iron bring each other's best qualities into sharp relief. Try a little or try a lot - we think you'll love the effect.

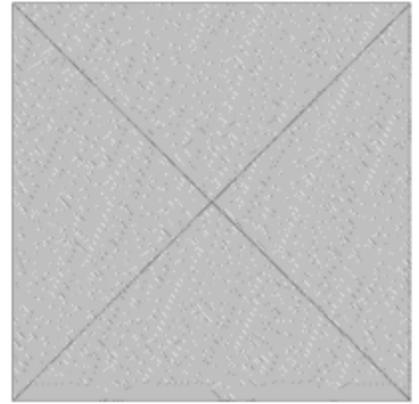

BROUGHT TO YOU BY: HANNAH, DOT & BO CURATOR
