I can book 3 Ocean View, Balcony, Club Level rooms for Dec. 25-Jan. 2nd at \$1899 per a night plus \$62 Resort Fee per day plus tax for a total of \$51,621.60 at this moment...Once we book the rooms, your card will be charged and we cannot cancel...if for some reason Jagbland cannot make these dates, we can change the dates of stay for a period of 1 year. But once the Ritz has charged your card, we cannot get your money back. The cancellation policy is 90 days prior to arrival and we are within this period already.

(At the moment there are also Resort View, Balcony, Club Level rooms for Dec. 25-Jan. 2 at \$1699 per a night if you prefer this)

Please advise if OK to book 3 rooms at the Ritz for Dec. 25-Jan. 2 for Jagbland...please advise OCEAN or RESORT view...there is limited availability on both types of rooms already...
