Fair commentary and personal apology. This is an entirely new world to me after a lifetime of understanding the world of finance so am slowly learning humility in an entirely new field of comprehension and action which involves regularly thinking about my death so I postpone intensive focus. I am slowly maturing which many friends have tried to accelerate and you have been a great friend through all of this. With great appreciation. Mort

paris back late tues. It makes no sense. none. I am speaking with your nephews tomorrow at 830 am. (the only time that they were able to set it for the past two weeks??). I understood that you have a new attny, I understood that there are wild speculations as to my proposal. It makes zero sense to me that as I was the one that found hundreds of millions of dollars of errors (?). that someone should have reached out to me. and asked a myriad of questions. . so far not one.
