Greetings Anna,

Luis is revising the invoice to reflect the 4 pallets, delivered to the port of DR.

Next decision - shipping:

Option A - Luis has room in a container he is shipping from DR on 11/8. Leaves DR on 11/8, in FL on 11/15, delivered to Tropical FL 11/19, sail on 11/22, on STT 11/26, on LSJ 11/27.
Shipping from DR to FL - \$1,200 and Tropical FL to STT - \$500

Option B - Tropical DR to STT - leaves on Wednesday, arrives on Saturday, clear and pick up on Monday - 20' dry container - \$3,005.00.

Besides the difference in price, there is the delivery time - if JE wants this complete by Thanksgiving, Option B is the better option.

Please advise, DW
