Me: Why is the quote so much more than you originally anticipated

T : Because you wanted backing and all of these things. And to prep the carpet with fire proof latex brings the price up \$3000.

Me: But the price is double not just \$3000

T : I was originally estimating for the other quality, but now you want the hand knotted one and it is more. But let me get back to Alfred and see if there is room for movement and I can probably extend a further discount to JE. I want him to be comfortable because of my long standing relationship with him.

Me: When will you have an answer for me.

T : About 2 hours time.

I will phone him again in 2 hours.
