ok on steaks, [REDACTED] and I will liaise
sweatpants - I have ordered some Harvard ones for you to try. Unfortunately Karyna and I both searched on line, at the on line store and google to get the exact same and we could not find them. When I phoned the store they told me while they do have different stock from their online store they do not currently have the same ones as your ones and even worse they cant guarantee that they will get them again. they change up their stock quite a lot. They have sent a few other options similar in cut for you to try. In addition I ordered some online for you to try.
