I called the Ritz yesterday and today to check on the availability of rooms at the Ritz Dec. 25-Jan. 2...I am being told there is very limited availability...especially on Dec. 26th...at the moment, I can still book 3 rooms at either \$1899 Ocean View or \$1699 Resort view (plus resort fee of \$62 each night plus tax) I also asked the hotel directly about moving our dates if we needed and we can only adjust a day or two and it really depends on if they have availability...but once our money is spent...it is spent...(fyi- I checked on the 3 bedroom condos the Ritz has also and they are fully committed for these dates)

Please advise if OK to book 3 rooms at the Ritz for Dec. 25-Jan. 2 for Jagbland...please advise OCEAN or RESORT view...I have not booked anything as of yet...
