Wow! Fun! Try BMW '14 as it overall drives better, Audi '14 is nice too but seemed in comparison stiffer of a ride. BMW also has a "dark graphite" color that's softer than black. (Very sexy! #1 for me.) --if there is a Cheyenne around, I'd be interested to see what you think. It was the only other model that compared to BMW's super comfortable drive. (X5 also may have better back seat area than the Porsche...?) I'm so excited!!

I was in touch w [REDACTED] last night, she said she was gonna take NyQuil and try to sleep/rest. I'll be sure to check in on sickie :(

I'm in [REDACTED] apt and they found the leak in toilet. Should be fixed in a couple hours without any damage to tiles/surroundings.
