#### Modern=Shibori

Some trends come and go, but shibori has been a staple in Japan=se culture for centuries. Emerging stateside in everything from duvets to =all hangings, shibori's blue and white color scheme is easily incorporated=into any room. The cobalt and indigo hues will add a pop of organic color =hile the exotic and versatile patterns welcome the Far East into our home.=Think of it as tie-dye, all grown up.
